The Grey Matter

Billie Sue Mosiman

The Grey Matter Billie Sue Mosiman

The mountains of DeKalb County, Alabama were majestic, tranquil, inspiring and isolated. Just the type of place a man like John Grey would choose to call home. A land where he was king of all he surveyed. A land where he could be God himself, if he chose to be. Until those kids moved into the cabin below the ridge.

It had been perfect at first for the four young people. Friends since their broken childhoods, now they stood together at the threshold of adulthood. They were a family by choice, not by nature. When supplies dwindled and society failed, so did the rules of civilization and the mountain closed in. Not all predators walk on four legs.

THE GREY MATTER is a novel of white-hot suspense where life is unpredictable and survival is paramount. Who is a friend and who's the enemy?

Ed Gorman, crime and mystery fiction's bestselling author, says of **THE GREY MATTER**, *"I can honestly say Billie Sue Mosiman is one of the finest horror-suspense writers I've ever read. She has her own take, her own voice and such a broad range of skills I'm in awe of her talent."*

Mort Castle, award-winning Stoker author, says, "Billie Sue Mosiman's **GREY MATTER**'s got plot twists you aren't predicting and characters made not of cardboard and cliché but flesh and blood, flaws and dreams—and courage. Above all, **GREY MATTER** is a story of 'family': It's love and not surname or DNA cell tissue that binds us together to protect and save our own. **GREY MATTER** is a thriller with brains and heart, just like its author, Billie Sue Mosiman."
