Embers

Sándor Márai

Embers Sándor Márai
Originally published in 1942 and now rediscovered to international acclaim, this taut and exquisitely structured novel by the Hungarian master Sandor Marai conjures the melancholy glamour of a decaying empire and the disillusioned wisdom of its last heirs.

In a secluded woodland castle an old General prepares to receive a rare visitor, a man who was once his closest friend but who he has not seen in forty-one years. Over the ensuing hours host and guest will fight a duel of words and silences, accusations and evasions. They will exhume the memory of their friendship and that of the General's beautiful, long-dead wife. And they will return to the time the three of them last sat together following a hunt in the nearby forest--a hunt in which no game was taken but during which something was lost forever. **Embers** is a classic of modern European literature, a work whose poignant evocation of the past also seems like a prophetic glimpse into the moral abyss of the present

From reader reviews:

Margert Lewis:

Nowadays reading books become more than want or need but also turn into a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge your information inside the book this improve your knowledge and information. The details you get based on what kind of publication you read, if you want send more knowledge just go with schooling books but if you want truly feel happy read one with theme for entertaining for example comic or novel. Typically the Embers is kind of guide which is giving the reader erratic experience.

Marian Perkins:

The particular book Embers has a lot associated with on it. So when you make sure to read this book you can get a lot of benefit. The book was published by the very famous author. Mcdougal makes some research ahead of write this book. This particular book very easy to read you will get the point easily after scanning this book.

Gregory Stclair:

Embers can be one of your beginner books that are good idea. We recommend that straight away because this e-book has good vocabulary that may increase your knowledge in words, easy to understand, bit entertaining but still delivering the information. The article writer giving his/her effort to get every word into delight arrangement in writing Embers although doesn't forget the main position, giving the reader the hottest along with based confirm resource info that maybe you can be one of it. This great information can drawn you into new stage of crucial thinking.

Steven Barraza:

Reserve is one of source of information. We can add our knowledge from it. Not only for students but native or citizen have to have book to know the upgrade information of year to be able to year. As we know those textbooks have many advantages. Beside most of us add our knowledge, can also bring us to around the world. By book Embers we can consider more advantage. Don't someone to be creative people? For being creative person must choose to read a book. Just choose the best book that suitable with your aim. Don't end up being doubt to change your life at this time book Embers. You can more appealing than now.
