Options Trading: Verticals and Collars (Options Trading: The Hidden Reality Book 5) Charles Cottle “Options Trading: Verticals and Collars”, is probably the most important of all the eBooks in the “Options Trading: The Hidden Reality” series. Verticals are the vital building block of profitable options trading and the perfect adjunct to your trading experience. One thing that becomes very evident about my work is its heavy reliance on PositionDissection® Techniques for Trading and Risk Management.
