The cross and the flag, our church and country : heroic deeds for the old Faith and the new land, from the discovery of America to the dawn of the twentieth century : comprising a full, true, John Gilmary Shea
PREFACE

To the True and Impartial History of the United States.

To present the great facts of our country's history in an attractive and readable form has been the object of this work. That the His tory of the United States is not more generally read arises from the fact that the works which ordinary readers find are overloaded with details and interrupted by tedious disquisitions. Others seem writ ten from a sectional, political, or other standpoint, and the writer's prejudices are thrust before the reader at every page.

The author has aimed to give the narrative clearness and simplic ity, to be impartial, giving each part of the country an equal impor tance, and equal justice ; and in the treatment of events, giving im portance only to such as deserve it, in view of their bearing on the whole country.

A History of the United States for the general public should be one to be read with equal interest in every State, by persons of every age. It should be as clear as the crystal waters of our purest streams, as solid and impartial as the great mountains that receive serenely the sunshine and the storm, and look calmly down on the quiet plain and the thunderous cataract.

This volume may not fulfill all that is aimed at or desired, but it can claim to have made a step in the proper direction towards afford ing a History of our country, readable, impartial, and accurate.

JOHN GILMARY SHEA.
