Dr. Feelgood Meyer
Dr. Meyer Steinberg was focused on one thing and one thing only and that was his current residency at the University of Maryland Hospital. Love was the furthest thing from his mind; that was until he met Tiffany Edwards. His job was to correct her scars from a car crash but he found himself wanting to correct the scars in her world of turmoil caused by her boyfriend Bruce. Falling for the forbidden and already taken beauty that was his patient was his first mistake. Pursuing her was his second mistake as the consequences could damage not only his ego but also his career. Winning her heart became his new focus and he was determined to not let anything get in his way.

Tiffany Edwards wanted nothing more than to finish her degree in finance and get away from the abusive relationship she was in with her boyfriend Bruce. Her daily world consisted of pain and heartbreak and she desperately needed a way out. Tiffany realizes that enough is enough and she has to get away from Bruce after she suffers injuries in a car crash that was caused by his hands. The moment she laid eyes on her surgeon Dr. Meyer Steinberg she was instantly drawn in to him with feelings she never felt before. Naturally she thought such a handsome, available doctor would be out of her league, or is he?

When the two allow their worlds to collide sparks fly and passion ignites as they both fight to avoid giving into the burning chemistry between us. For Meyer the temptation is undeniable and unavoidable. For Tiffany it’s unbelievable and inconveniently timed. The closer the two become the harder it becomes for Tiffany to hide her insecurities and doubt, which causes Meyer to have to work extremely hard to win her heart. Just when Tiffany gives in and allows Meyer into her life Bruce shows up to rock their world in a way neither of them saw coming.
