Latinas/os in the United States: Changing the Face of América

Latinas/os in the United States: Changing the Face of América

The Latina/o population in the United States has become the largest minority group in the nation. Latinas/os are a mosaic of people, representing different nationalities and religions as well as different levels of education and income. This edited volume uses a multidisciplinary approach to document how Latinas and Latinos have changed and continue to change the face of America. It also includes critical methodological and theoretical information related to the study of the Latino/a population in the United States.
