Ronald A. N. Kydd

Charismatic Gifts in the Early Church: An Exploration into the Gifts of the Spirit During the First Three Centuries of the Christian Church Ronald A. N. Kydd
The emergence and widespread acceptance of the validity of the charismatic experience has generated many questions. One of the foremost is, "What happened to the gifts of the Spirit after the New Testament period?" Dr. Ronald Kydd's careful probe seeks to answer that question.

After a thorough and careful study of the writings of the early church fathers, Dr. Kydd provides an objective, informative analysis, and reaches thought-provoking conclusions. He concludes "that what emerges from a study of the sources is the picture of a Church which is strongly charismatic up until around AD 200."

Quality Pentecostal scholarship communicated in a striking personal style makes this book enjoyable and challenging reading for the layperson, minister, student, and scholar.
