Comic Book Value and Selling Secrets - How to Discover the Real Value of Your Comic Books and Sell Them for the Best Price Without Getting Ripped Off Sean Jones
Do you want to find the value of your comic books and discover how to sell them for the best possible price?

The two most common questions I'm asked at Comic Book Secrets are:

How much is my comic book worth?
How should I sell my comics for the best price (without getting ripped off)?

This guide will help you find the current, accurate value of your comic books and give you the best chance to sell for the highest possible price.

You'll discover step-by-step how to:

- Accurately describe your comics to include the condition or "grade" of your comic book and prepare a sales list
- Find the true value of your comic books
- The various places you can sell your comic books
- The pros and cons of each selling method
- The best way to sell your specific comic books
- How to avoid dishonest buyers – don't get ripped off!
- Tips and tricks to get the best price from each selling method
- Step by step walk through of the entire process
- Free access to a special web page for owners of this book with large, descriptive pictures, videos and more.

Also included in this book is a special webpage, found in the Appendix, with how-to videos, reviews, resources and more
