Slaves hate the 2nd Amendment JD Lovil

They are coming to get your Guns!!

They will not let the Second Amendment of the Constitution Stop them.

Most non-psychopathic Americans do not want our world to be filled with the corpses of bullet-riddled persons. Most of us realize that there is an inherent trade-off of our liberty and freedom for a higher degree of security. It is disheartening to observe how easily people will throw away their independence and freedom for an illusion of security. For that is what it truly is, an illusion.

??? It isn't about defense!

The Second Amendment is about defending ourselves against Tyrants.

??? Do you have a Rocket launcher in your Garage?

Nothing less will stop them when they come.

??? You need to be ready.
