Communications Law: Liberties, Restraints, and the Modern Media (Mass Communication and Journalism)

John D. Zelezny

Communications Law: Liberties, Restraints, and the Modern Media (Mass Communication and Journalism) John D. Zelezny
This text is truly oriented to the modern mass communications student, with substantial material applicable to public relations, advertising and broadcasting, as well as journalism. The book tries to strike a middle ground between the very light, descriptive approaches and the very detailed case-oriented legal texts, also striking a middle ground between legal principles and "survival" information for the media professional.
