Andrea Devaux is Department Chair of Lycan Studies, so when **werewolf billionaire** Elias Betancourt and the government agree to fund a study to better understand the shifters, she's put in charge. She's thrilled of course. After all, this is what she's studied and worked for all her life. But why the hell does Elias have to be so jaw droppingly sexy? She can't seem to think of anything else but their meeting... and what they can do behind closed doors!

When she gets a chance to study werewolf mating rituals **up close and personal**, she doesn't know what to do. Drawn to the golden eyes of this enigmatic Alpha, Andrea is going to have to step out from behind her books and experiment **hard and without protection**!
