Last Writes (A Ghostwriter Mystery Book 3)

C.A. Larmer

Last Writes (A Ghostwriter Mystery Book 3) C.A. Larmer
• LAST WRITES is the third stand-alone mystery in the popular contemporary detective Ghostwriter Mystery Series starring writer-turned-super-sleuth Roxy Parker.

Gutsy ghostwriter Roxy Parker is back, and this time it's personal.
Someone is killing best-selling authors—a science-fiction writer has been found violently slashed with an 'X', a gardening guru bludgeoned with his own shears, and an erotic novelist poisoned by a juicy, red apple. All the evidence points firmly at Roxy's beloved agent, Oliver, but she's not convinced. With the help of seductive newcomer, crime reporter David Lone, Roxy must hunt down the killer before another author meets their final sentence... Little does Roxy know, a ghostwriter is next on the hit list!

Will this be Roxy Parker's last writes?

The third in the best-selling Ghostwriter Mystery series sees the return of brooding photographer Max Farrell (how will he handle Roxy's new love interest?), meddling mother, Lorraine, Scottish softie Lockie, and supercop Gilda Maltin. We also meet Max's cool sister Caroline and join Roxy on a nail-biting road trip up the north coast of Australia, the killer hot on her trail!

In C.A. Larmer's fifth book (each one a stand-alone mystery; no cliffhangers to keep you wondering) we see, yet again, why Larmer is fast becoming a global crime writing sensation. There's suspense, humor, fashion and fun, not to mention a plot that will keep you on the edge of your manicured toes!

A Word of Caution About the Language
This story is set in Australia so you may come across some unusual colloquialisms and bad language. Both are an everyday part of our vernacular but I apologise for any confusion or offence; it is not intended.
