Arts & Crafts Movement (Art of Century)

Oscar Lovell Triggs

Arts & Crafts Movement (Art of Century) Oscar Lovell Triggs
Arts & Crafts was a unique movement which triggered a veritable reform in the applied arts in England. Founded by John Ruskin, then put into practice by William Morris, the Arts & Crafts Movement promoted revolutionary ideas in Victorian England. The work of artisans and designers thus became the heart of this new ideology, which influenced styles throughout the world, translating the essential ideas of Arts & Crafts into design, architecture and painting.
