Immortal Yearnings: Mystical Imaginings and Primordial Affirmations of the Afterlife Annamaria Hemingway
The archetypal and symbolic qualities of mystical states of consciousness are ineffable, timeless, and fleeting, but they act as powerful reminders that it is possible to transcend our limited understanding to glimpse a unified eternal reality, which we are part of. The pilgrimage of life ends in death--there is no denial of this fact, but in Immortal Yearnings, we are asked to consider whether by giving the symbolism from universal imaginings a voice, we can use our perception to enrich our myths about death.

Annamaria Hemingway PhD is a writer, speaker, spiritual counselor and member of the International Association for Near-Death Studies.
