Japanese Street Slang: Completely Revised and Updated

Peter Constantine

Japanese Street Slang: Completely Revised and Updated Peter Constantine
From *ai* (“love”) to *zukkyu!* (“heart attack!”) *Japanese Street Slang* details the roughest and rawest street language as it’s used in Japan today. Here’s how the Japanese really speak: the hustlers and high-rollers, the *anime otaku* teens and Tokyo yuppies, the gangsters and their ladies of the night. This is the guide to the kinkiest sex talk, drug slang, criminal lingo, popular text-messaging abbreviations, and more. More than just a guide to gritty and gross-out gab, this book includes witty mini-essays that trace the fascinating origins of many expressions and rollicking example sentences that reveal just how and where they may be heard.
