Making Sense Out of Suffering Peter Kreeft
This book is for anyone who has ever wept and wondered, "Why?" Peter Kreeft observes that our world is full of billions of normal lives that have been touched by apparently pointless and random suffering. This account of a real and honest personal quest is both engaging and convincing. Written from a deep well of wisdom derived from experience and careful observation, Making Sense Out of Suffering is a book for empty hearts, not full ones. Read it if you are hungry for insight into the mystery of suffering. A Servant Book.
