**The Beginner's Guide to Atheism** Edward Trillian
The Beginner's Guide to Atheism is a sometimes serious, sometimes witty (and sarcastic) look at religion and why people should avoid superstitious beliefs whenever possible. This book is a highly opinionated assault on all things supernatural and a real take-down of deities and demons alike. It covers logic, reason, belief, knowledge, dogma and even apologetics in a way that guarantees you'll not only understand it, you'll also never forget what you just read. Remember: Nothing is sacred.
