“I’m going to watch you ride my very special horse, baby. Then I’m going to ride you!”

Business is brisk at Surrogate Specialists where Calli works as a human cow. The buxom blonde is excited to meet her new client: a big and brawny cowboy from the Heller Ranch who expects more than a taste of her cream.

What Calli doesn’t know is that Buck has a surprise for her: a homemade, remote control saddle that is designed specifically to give her pleasure. Before riding *him, the cowboy expects Calli to ride his homemade horse while he controls the reigns. What happens next is richer, creamier and more luscious than anything she has every experienced!*
