Nelvana of the Northern Lights

Adrian Dingle

Nelvana of the Northern Lights Adrian Dingle

- *Nelvana of the Northern Lights* returns from the lost pages of Adrian Dingle's *Triumph Comics*! Nelvana was one of the world's very first superheroines, predating Wonder Woman by several months, and is among the ranks of the first Canadian superheroes to emerge after Canada placed an embargo on US luxury goods during WWII. First appearing in 1941, Nelvana was tasked with protecting Canada's northern lands. Using the powers of the northern lights, Nelvana could fly at incredibly fast speeds, become invisible, and even turn into dry ice! She used her great powers to ward off Nazi invaders, shady fur traders, subterranean mammoth men, and interdimensional ether people.
- For the first time since her story ended in 1947, Nelvana's complete adventures have been collected and reprinted in one single volume, with over 320-pages of artwork by her creator Adrian Dingle. Also featured is an Introduction by editors Hope Nicholson and Rachel Richey, and a Foreword/Afterword by Dr. Benjamin Woo and Michael Hirsh.
