Playing the Playboy (Heirs of Damon Book 2) Noelle Adams
Laurel will do anything to save her Santorini inn from the powerful Damon family, and that includes manipulating Andrew Damon, the man they've sent to get her off the property. Andrew might have a reputation for being irresistible to women, but she won't have any problem resisting him. This is war, after all, and the Damons drew their weapons first.

Andrew has spent most of his life chasing women and wasting time, but he's determined to do his duty by his family, even if that means ousting an infuriating (and gorgeous) widow from the inn that legally belongs to the Damons. He doesn't expect to fall for her. And he definitely doesn't expect to discover that he's been played.
