Proceedings of International Conference on Nonlinear Problems in Aviation and Aerospace ICNPAA 2004

The fifth international conference on Nonlinear Problems in Aviation and Aerospace was held at University of Timisoara, Romania in June 2004. This proceedings publication includes keynote addresses, invited lectures and contributed papers presented at the conference. Mathematical problems in engineering and aerospace science have stimulated cooperation among scientists from several disciplines and developments in computer technology have led to solutions of mathematical problems. The publication includes papers on aeroacoustics, aerodynamics, computational fluid dynamics, air traffic control design, nonlinear filtering, atmospheric flight mechanics, propulsion and combustion, navigation, guidance, stability and control, neural networks, optimization, computer security and cryptography.

Mary Kenney:

Don't be worry if you are afraid that this book will certainly filled the space in your house, you can have it in e-book approach, more simple and reachable. This specific Proceedings of International Conference on Nonlinear Problems in Aviation and Aerospace ICNPAA 2004 can give you a lot of good friends because by you investigating this one book you have issue that they don't and make you actually more like an interesting person. This kind of book can be one of a step for you to get success. This reserve offer you information that perhaps your friend doesn't learn, by knowing more than different make you to be great people. So , why hesitate? Let me have Proceedings of International Conference on Nonlinear Problems in Aviation and Aerospace ICNPAA 2004.
