Backyards: A Sunset Design Guide Bridget Bradley, Jeanne Huber
Sunset Books' *Design Guides* are a new generation of design books, for the new generation of homeowners. In *Backyards*, author Bridget Bradley offers the ultimate guide to creating a beautiful backyard that fits your home and your budget. You'll get a insiders' peak into building materials preferred by landscaping professionals; opinions on green considerations to learn which materials and practices are truly eco-friendly; plans for an outdoor kitchen, a play area for kids and pets, a backyard greenhouse, and more; plus, you'll experience an interactive view of your backyard space with the 3D design software included with each book. More key features that make this a truly unique tool for backyard design:

• Experienced design and landscaping professionals help you get the backyard you want on a budget you can afford • Pro-designed patios and gardens show the best ways to pull all the elements together to create a cohesive, comfortable space • Clear, concise charts make it easy to choose materials based on appearance, durability, east of installation, and price • The latest information of green materials, water conservation, and safety issues

Plus, each book comes with *The **Sunset** Landscape Designer*, interactive design software that is professional, yet easy-to-use.

• Design a backyard with precise tools, then see it from any angle in 3D view • Control everything from the dimensions of your space to final choices of materials • Create detailed plans to help with permit applications • Plus it works for both PC and Mac systems
