BOOK #1: Digital Photography: 23 Expert Tips and Tricks for Impressive Digital Photography

Whether you're a completely green beginner with no idea where to begin or you've already got a closet full of state-of-the-art DSLR equipment, everybody wants to learn how to take better digital pictures these days!

This guide is absolutely filled from cover to cover with useful tips that will teach you how to improve your photography skills from start to finish so you can start taking the shots of your dreams!

Among other great tips and techniques, you'll learn:

- How to avoid taking blurry pictures
- When to use the zoom and the flash
- What to do with your photos after you've taken them
- What are the causes of the most common problems in digital photography?

BOOK #2: Digital Photography: Sharpen Your Eye! Tips and Tricks for Mastering Aperture, Shutter Speed, ISO and Exposure

You've mastered the basic functions of your DSLR and are ready to take your digital photography to the next level. It's time to trade in your camera's automatic adjustments and take full control of your photographs.

A good DSLR camera is a powerful tool, offering you the ability to adjust when and how much light it takes in.

By following these easy-to-read tips and techniques, your photos will go from awesome to mind blowing! Cameras work much like your own eyes do. If it's too bright, your pupils dilate to let less light in.

You wear sunglasses in order to make your pupils less sensitive to the light. If it's really bright, you might even close your eyes altogether. Your camera has these abilities, too. By learning the nuances of aperture, shutter speed, and ISO, you'll gain as much power over the quality of the pictures as you have over the things that you see with your own eyes!

With this short guide for intermediate skilled photographers, you'll learn:

- Advanced general tips on how to take better pictures
- How, when, and why you need to make adjustments to your exposure settings
- The ins and outs of aperture, shutter speed, and ISO
- How to unlock the secrets of "The Exposure Triangle"
- And much, much more!
