For the complete book see the following title:
Eddie Kantar Teaches Modern Bridge Defense

American Bridge Teachers Association Book of the Year Award winner

Eddie Kantar's various beginner books have sold hundreds of thousands of copies in ten different languages, not least because of his unique style and the humor that he introduces into the learning process. Modern Bridge Defense is intended to cover the basic concepts of bridge defense, and will undoubtedly be a standard

teaching tool and reference work for the next quarter-century. The topics covered here (leads, signaling, second- and third-hand play, and discarding) are handled so thoroughly that even more advanced players will benefit from studying this book. Designed to be used by bridge teachers, or by students learning on their own, this book contains a host of features that help the student to grasp the material: clearly laid-out concepts, margin notes, practice hands, chapter-end quizzes, key-point summaries at regular intervals, and an index. It is intended to be read before the companion volume, Eddie Kantar Teaches Advanced Bridge Defense.
