Klutz Knitting Book Kit

Anne Akers Johnson

Klutz Knitting Book Kit Anne Akers Johnson
Knitting takes the novice crafter from step zero (how to hold the needles and yarn) to look-what-I-made finished projects. Unlike other how-to-knit books, the directions here are clearly explained in plain language with no confusing abbreviations, diagrams, or codes. The projects-a long skinny scarf, a cozy hat, a sunglass case, a cell phone holder, and more-are all teen-tested and a far cry from your grandmother's afghan. Altogether, it's everything anybody needs to start knitting now.
