MILLER 'S CHURCH HISTORY - From The First to The Nineteenth Century: Complete In One Volume ANDREW MILLER

Many of our readers, we know, have neither the time nor the opportunity for reading the voluminous works that have been written from time to time on the history of the church. Still, that which has been the dwelling-place of God for the last eighteen hundred years, must be a subject of the deepest interest to all His children. We speak not now of the church as it is often represented in history, but as it is spoken of in scripture. There it is seen in its true spiritual character, as the body of Christ, and as the "habitation of God through the Spirit."
