As a scholar exactly feel bored to reading. If their teacher questioned them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's heart or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this
