They have the house, the two kids, and the minivan. They have a well-meaning but shallow church. What Sherry doesn't know is that Doug has a shameful struggle with his thought life. When an exotic dancer's life intersects theirs, this suburban couple has to make a hard choice: do they risk their convenience and security for her sake, or do they cross to the other side of the road? The dark forces will not easily give up their most important pawn. But Ronnie must come out of the darkness, for only she can unravel a plot of devastating destruction.
