Love Beyond Reason: A Scottish, Time-Traveling Romance (Book 2 of Morna's Legacy Series)
Bethany Claire
It all started with a spell. Arran Conall lives with the consequences of his foolishness daily, his mistakes guiding him into darkness. He had no way to know that his beloved would fall prey to the ancient magic that awaited Blaire on the day he'd sent her away to marry his brother. Now, the only woman to ever give pause to his philandering ways lives centuries ahead of him, out of reach while still holding on to his heart. Now, he must try to live a life without her and marries another to save the lass from a greedy suitor who only wants to lay title to her father's territory. His love for Blaire haunts him. With every breath, he prays only one thing – that she will be able to feel his love for her across the chasms of time… Born in the seventeenth century, Blaire MacChristy lives each day trying to adjust to the challenges of modern-day life. Magic brought her here, but heartbreak keeps her from using the magic to travel back to her home. When visitors from her past arrive asking her to return to the life she'd known before, Blaire takes a chance on love. Once home, she is shocked to learn that the man she loves has married another. Will fate find a way to mend their broken hearts by bringing them together once again? Even if it does, will they be able to stop the darkness that is coming for them both?
