Surviving Workplace Change Workshop: Complete Human Technology Corporation, Alex F. Douds Surviving Workplace Change—Workshop (One day) In order for individuals to be successful in today's changing environment, they have to come to understand their own reactions to change and develop practical techniques to constructively deal with the personal impacts of change. This workshop is appropriate for all levels of employees and explores topics like natural resistance to change, differing individual reactions to change, and developing tools to cope with change. By learning about four thinking preferences, participants learn how specific changes affect individuals differently.
