VICTORIA: SHE'S IN CHARGE MIMI WILDE
This meant for adults.

I was fine until she came along. I had my own business. I had my friends, my social life. I also had my secret. My trophy room where I hung the little filmy pieces of lingerie that once belonged to women I wanted to remember, proud women who had done anything I wanted for an opportunity for success. Each pair of panties or sheer bra had a memory for me, and it made it especially titillating because I knew the women would always be aware of it hanging there. I thought everything was perfect and then she turned my world upside down. I needed her in a way I had never thought possible, and now she was going to make me pay for every trophy.
