Book Blurb:
It's seven years later and everyone gets what they want. But, getting what you want is never what it's cracked up to be. Jonathan Bass' heart is in the right place though as he attempts to help those he loves. He also gives his all to transform the lives of his embattled adolescent patients. Their psychological aliments range from severe low self-esteem and depression to Post-Traumatic Stress Disorder (PTSD). But he is surrounded by good people on a daily basis. Skyla lends her support to him professionally and Bree is back to help distress their lives with her colorful, comical, outrageous opinions. New on the scene is Quentin Perkins, Jonathan's best friend from Princeton. The four of them unite with a passion for the community and the troubled youth residing in it. But there good efforts are not without challenges.

Women from Jonathan's past appear to cause friction among the group. And Skyla still struggles with her aging biological clock, along with the emotional effects from the miscarriage she suffered years prior. Bree continues her quest to find true love while severing ties with an old love. And Quentin (Que) tries to keep his newly formed business partnership with Jonathan from ruining their friendship.

Keeping sight of the bigger picture, they each manage to navigate around these issues until problems with Jonathan's patients and his past relationships result in deadly consequences that will affect all involved.
