Sexy Laura Ranger worked as a waitress in Las Vegas. She had moved there for the excitement. Of course when the real excitement came, she was not sure what to do about it. She suddenly found herself in the center of an international theft, but she hadn't done anything!

Her life became even more complicated when a billionaire airline owner and his constant companion fell for her. It was even more complicated when she fell for them! It was a love triangle they did not show on television dramas. How was she supposed to deal with being attracted to not one, but two handsome men who were both attracted to her?
