La España evidente (Spanish Edition) Xosé Luís Barreiro Rivas

La España evidente de Xosé Luís Barreiro es un alegato sereno, pero firme en sus argumentos, en defensa de una España repensada desde la perspectiva europea y alejada de la "irreflexiva" apuesta del independentismo catalán.
Barreiro bebe de las fuentes de la historia y de la política para explicar que "las diferencias entre lo que somos y lo que dicen que somos" representan el obstáculo a salvar para recuperar los valores éticos, políticos e históricos que le den "fuerza y coherencia al acervo común" de nuestra nación. Y alejarse, aclara, de la "falsa leyenda" de una España siempre contrapuesta a la modernidad, al europeísmo y a la libertad.
El politólogo y expolítico gallego propone en La España evidente diferentes soluciones para problemas concretos. Desde nuevos sistemas de financiación autonómica "inexplorados hasta el momento", hasta un federalismo "expresamente constitucionalista".
En cualquier caso, apunta que la solución está en una Europa más unida como única forma que permita afrontar retos y problemas con solvencia.
Xosé Luís Barreiro pone blanco sobre negro de las carencias, actuales y pasadas, de España como proyecto, pero que ha experimentado un proceso coherente en la medida de sus posibilidades y circunstancias históricas, cuya fragmentación sería "ilógica, irracional y quizá también imposible". Tal vez, añade, porque las realidades de España y Cataluña aparecen siempre imbricadas y complementarias, pero nunca enfrentadas.
El autor aborda, en una obra que define de madurez, los conflictos derivados de nuestra identidad como nación, de la crisis que cuestiona el modelo de Estado y, ante todo, de las dudas sobre Europa, que pese a todo, dice, tiene un futuro vigoroso e inexorable.
