Managing Development: State, Society, and International Contexts

Kathleen Staudt

Managing Development: State, Society, and International Contexts Kathleen Staudt
The complexities facing development managers are vast. The enormous challenges to understanding the breadth and depth of development transformation are apparent in each level of this process and demand attention. **Managing Development** answers the need for a comprehensive introductory resource. Offering a fresh perspective on development management, it analyzes both international and national development agencies and shows the widely differing cultural contexts in which to plan, manage and evaluate development programmes.
