Primal Passion (Trinity Masters) (Volume 2) Mari Carr, Lila Dubois
An FBI agent. A wealthy CEO. A virgin scientist.

Deni Parker thinks she's got it all figured out. Working on the cutting edge of science, she has little time for anything but work. Luckily she doesn't have to bother with dating because she's a member of the Trinity Masters--a secret society that has not only helped her career, but which will identify the two people with whom she'll spend the rest of her life in an arranged ménage marriage. When her invitation to the introduction ceremony is delivered--years ahead of when she expected--by the very intimidating, and far too handsome, Price Bennett, Deni's more than a little unprepared.

Price didn't join the Trinity Masters to play messenger. As CEO of a major security firm and heir to one of the largest fortunes in the world, he's annoyed when the Grand Master orders him to transport the disorganized, virgin scientist to the ceremony to meet her partners. It's only when they arrive that Price realizes he isn't a mere messenger--he's been matched with Deni.

FBI Agent Gunner Wells has been in love with Deni for years, but he's resisted pursuing her. When he arrives at his introduction ceremony, he's delighted to discover Deni is not only a member of the secret society, but one of his partners...along with billionaire playboy, Price Bennett.

Their strong personalities clash--in the bedroom and out of it--but Price and Gunner have to put aside their overprotectiveness, and Deni must put aside her pride, when someone tries to stop her research--with deadly methods.
