Sweet Carla and Rough Rodney (My Best Friend Made Me the Anniversary Present!): An FFM Ménage a Trois Erotica Story Savannah Deeds
When Carla asked me to come along with her husband and her on an anniversary vacation, I thought she was crazy. Who'd want another person along for such a special time? I found out pretty quick that she had me there for a reason. They both wanted me! I was nervous as hell but the thought of being in a threesome turned me on to no end, and the thought of being with Carla really, really turned me on. She was so sweet and so sexy! Rodney… well, that was another matter entirely.

Warning: This ebook contains very explicit descriptions of sexual activity and includes ffm ménage a trois, rough sex, first lesbian sex, and more. Only mature adults who won't find that offensive should read this story.

Here is a preview:

I'd wanted Carla, too. At least, I'd fantasized about being with a woman and Carla was the woman I wanted to try that with. I'd never had the guts to do anything about it either. It was terrifying and alluring all at the same time. I mean, it was crazy to think I'd be with Carla and crazy to think I'd be with two people at the same time. In all my life, I don't think I experienced a meal as nerve-wracking and awkward as the very light dinner of soup and salad we had on the twenty-third floor of the swanky hotel right in the middle of the Las Vegas strip before Carla took my hand and led me to the room.
I stripped to my bra and panties, and I think I was shaking like a leaf. Once I stripped I climbed on the bed. Carla stripped, too, and I think she was going to take off everything but instead she left on her bra and panties as well and climbed onto the bed with me.
Carla reached forward and touched my cheek, and as she did, I wondered how the hell I'd gone six years of knowing her and not noticed just how beautiful she was. Her hand moved softly, caressing my cheek, and then down to my chin. She lifted my head up just slightly, and then her lips met mine.
I sighed as she kissed. I'd never been with a woman, never even considered it other than those fantasies about Carla back in college, but there I was wearing just my bra and panties and her lips were on mine, gently tugging at my lips while her tongue snaked out and flicked at me.
