A BOOK ABOUT YOU (Timeless Wisdom Collection 187) Charles F. Haanel
We are all vibration. The world is vibration. The Universe is vibrations. Once you understand this, and the power that the concept implies, you will destroy any limit and limitation.

This beautiful book was created by Charles F. Haanel, the author of the Master Key System, one of the most influential books on self help ever written. But, he had another masterpiece waiting. He had this book. A book about you.

At birth you received a certain vibration consisting of the combination of ethereal vibrations existing at the moment. This vibration was impressed upon you very much as a note from an orchestra may be transmitted by the stylus of a phonograph to the sensitive wax receiver with every single note and every shade of tone intact.
Thus the time of birth determined the nature and intensity of the vibrations which are apparent in your mental, moral, spiritual, and physical characteristics, and these in turn indicate the character, environment, and opportunities which will come to you.
This does not mean that you are to flounder in a morass of destructive fatalism. On the contrary, it is simply indicative of the opportunities which will be presented or the temptations which will come; there is no denial of the self-determination or free will. You may use the characteristics given to you at birth, or change them as you will.

This book will tell you how.
