Call of the Alpha: Fertile Shifter Werewolf Erotica Viktoria Skye
Sasha refuses to lose control. She moved away from her pack to escape the power struggles, the games with no winners. She wouldn't let herself be mated to any of those pompous windbags. Her future is her own to decide.

But she's let her fate in through her own front door.

Now he stands before her, not the human she mistook him for, but a **lone wolf**. An alpha without a pack. A powerful **werewolf seeking a mate**. He's found her. He wants Sasha; needs her to **make his own pack**. Their own family. For the survival of their kind.

Sasha's met her match. **Innocent and untried**, can she survive the night with a man like this? **Hard, unprotected, primal lust under the full moon**.
