Rail-Trails Pennsylvania, New Jersey, and New York

Rails-to-Trails Conservancy

Rail-Trails Pennsylvania, New Jersey, and New York Rails-to-Trails Conservancy
Across the country, more than 1,600 unused railroad corridors have been converted to level, public, multiuse trails, where people can enjoy a fitness run, a leisurely bike ride, or a stroll with the family. In this newest addition to the popular series, the Rails-to-Trails Conservancy presents the Northeast's finest rail-trails. *Rail-Trails Northeast* covers one hundred of New Jersey, New York, and Pennsylvania's rail-trails. With a rich industrial and passenger rail history, the Northeast is one of the densest rail-trail regions in the country. Rural, suburban, or urban, rail-trails serve as the backbone of an impressive trail system. This two-color book includes succinct descriptions of each trail from start to finish, plus at-a-glance summary information indicating permitted uses, surface type, length, and directions to trailheads for each trail. Every trip has a detailed map that includes start and end points, trailhead, parking, restroom facilities, and other amenities.
