The Pickup Artist is a salacious book about the continuing adventures of the world's most famous pickup artist, Mystery, who was first introduced as the ringleader of a subculture of pickup artists chronicled in Neil Strauss's 2005 best seller *The Game*.

After fame, fortune, and reality television, a group of pickup artists live in a gorgeous Miami mansion and live the life many merely dream of. As you go on Mystery's journey for love, he will teach you all he knows about the art of seduction. *The Pickup Artist* reveals the next level of game theory and technique, designed to catapult timid and insecure men into a world of confidence, attractiveness, easy hookups, and all-around success with women. Half of the book consists of never-before-published tips and techniques, and the other half comprises stories from Mystery's life---the most extreme and enlightening pickup anecdotes---illuminating the game and helping you to avoid the pitfalls of today's dating scene.
