The Portal in the Forest Matt Dymerski
From the author of Psychosis, Matt Dymerski, comes a new reality-bending tale of horror and adventure.

THE PORTAL IN THE FOREST

This neighborhood has a secret - while the adults work multiple jobs to make ends meet, the children trade around strange trinkets and famous books with odd misprints. It seems that, without supervision, they've gotten into something extremely dangerous: another universe.

One adult is not working. One adult notices. One adult discovers their secret - a portal a few miles deep in Virginia woodlands; a portal that goes to a new universe each day. It's a fantastic opportunity to explore, certainly, but there are two problems: the destinations are all dead worlds that have suffered unique and terrible apocalypses… and the portal is getting bigger.
