Franklin

Joe Johnston

Franklin Joe Johnston
Students of the Civil War know Franklin, Tennessee, for the major battle that happened here, but there is a lot more to the story. In fact, Main Street in Franklin is a glimpse into 250 years of history. Within a few blocks surrounding the public square, some of the city's original buildings now house the newest and most popular shops, restaurants, and entertainment venues in Middle Tennessee. Franklin has been a center for agriculture and manufacturing. It is a place where families can enjoy small-town life on the interstate. It is home to a college. It has always been the seat of Williamson County. Franklin's small businesses have a habit of sticking around for decades, often passing through generations of the same family. Franklin is as quaint and picturesque as it is exciting and progressive, because it continues to attract the kind of people who have always made it that way.
