Statistics for Business: Decision Making and Analysis

Robert A. Stine, Dean P. Foster

Statistics for Business: Decision Making and Analysis Robert A. Stine, Dean P. Foster
In the competitive world of business, effective decision making is crucial. To help you stand out from the crowd, Robert Stine and Dean Foster of the Wharton School of the University of Pennsylvania have written an exciting new book for business statistics. This book teaches you how to use data to make informed decisions; every chapter highlights issues in the modern business world. The authors provide strong connections between the statistical concepts in the text and the problems you will face in your future careers, showing you how to find patterns, create statistical models from the data, and deliver your findings to an audience.
