Why Do People Die?: Helping Your Child Understand With Love and Illustrations

Cyntha MacGregor

Why Do People Die?: Helping Your Child Understand With Love and Illustrations Cyntha MacGregor Grandpa has just died . . . and your child is confused, upset, and bewildered. What is death? Where has Grandpa gone? What will happen now? She turns to you for answers, comfort, and help, but death isn't an easy subject to explain to kids (especially in the three-to-nine-age range), and since you yourself are in emotional pain, it's harder than ever. Yet you know she deserves, and needs, a straightforward, comforting, reassuring answer . . . .

"Why Do People Die?" guides parents through the inevitable questions, emotions, and fears associated with death. Written in a friendly, reassuring tone, and with respect for the beliefs of different religions, this book comforts both parents and children. Understanding the thoughts and worries that plague children, this book offers answers to tough questions like: What is dying?; Is it normal to cry?; What happens at funerals?

Questions about death must come up sooner or later in every family. If it is not a family member who stirs them, it is a neighbor, a friend, or even a pet. "Why Do People Die?" helps to alleviate the pain, stress, and uncertainty that children face.
