Clit Chronicles Cathryn Marie
This sexually driven erotica book are for those sexually challenged individuals who are afraid to explore sexual desires due to fear of being labeled. The original writings were started in 2006 and have built a large fan base which includes readers that have said the writing leaves them feeling as if they were a part of the scenes while reading the stories, and they have also tried out sexual ideas from the stories, as the material contained within the book is a detailed erotic style. Teaching and allowing people to experience fantasies through her writing, Cathryn Marie has encouraged others by compiling the stories over the years and making it in book form with hopes of bringing it into the homes of those who have requested it since 2006 and then some. While the book is fiction, Cathryn Marie's own personal sexual experiences have been of one who has lived on the edge in a safe and pleasurable fashion. Having an open mind, she has developed friendships and relationships with parties who have questioned their own sexuality and have shared personal experiences. With the motto of "sex is just sex", Cathryn Marie does not believe one should be judged based upon bedroom fantasies, which include threesomes with two men & a woman, anal sex and other non-conventional situations.
