The Paine Dullles Felt, Must be Let Luce (Oswald's Closest Friend; The George de Mohrenschildt Story Book 6) Bruce Adamson
Vol. VI - Allen Dulles' Paine Must be Let Luce

Again, I would recommend that if one wants to view the photographs and exhibits, very incriminating as are in the other volumes, they should purchase a hard copy from Amazon.com.

Was the great granddaughter and second great grandson of Ralph Waldo Emerson involved in the assassination of the JFK Assassination? Michael and his mother Ruth Forbes Paine (aka. Mrs. Arthur Young) was tied to Henry Luce, Allen Dulles and to Lee Harvey Oswald.

This volume contains a thorough examination of the compelling evidence linking Ruth Paine, Henry and Clare Luce, Prescott Bush and Allen Dulles' ties to Mary Bancroft. Bancroft was the lover of both Henry Luce and Allen Dulles simultaneously and was the long-time friend of the mother of Oswald's benefactors prior to the assassination. Bancroft worked on the WWII assassination attempt on Adolph Hitler. The evidence proves that Dulles was involved in the cover-up of the JFK assassination.

Two chapters have been added on, as of November 1998. These are Dimitri Von Mohrenschildt's ties to Ruth (Forbes) Paine and her husband, Arthur Young. Young invented the Bell helicopter, and made a fortune off of it in the Korean and Vietnam wars. Young worked closely with Joseph Mashman, who was LBJ's pilot. Mr. and Mrs. Young were the parents of Michael and Ruth (Hyde) Paine, Lee Harvey Oswald's landlords and benefactors, at the time of the JFK assassination. John Forbes Kerry is a cousin to Ruth (Forbes) Paine and Michael Paine. They call him JFK, II. President Kennedy sat in chair while a young Forbes looks on and Ruth Forbes Paine-Young was in the back ground.

Allen Dulles' Paine Must be Let Luce is 215 pages many exhibits in this volume ISBN 1-892501-09-0
