The Promise: (An Elvis Cole and Joe Pike Novel) by Robert Crais | Summary & Analysis

Robert Crais' latest crime novel is the sixteenth installment in the popular Elvis Cole and Joe Pike detective series. This time around the two detectives are joined by LAPD K-9 Officer Scott James and his K-9 partner, German shepherd Maggie, from another Crais' stand-alone novel, Suspect. The collaboration of both crime-solving teams is Crais' attempt to bring different motivations and perspectives into the same case with the intention of adding depth to the investigation. Although a great idea in theory, it quickly becomes a small stage with too many large players to allow the partnership to reach its full potential. With a cast of characters accustomed to owning the spotlight, none of them get the opportunity to truly shine in a satisfactory way. Readers who are familiar with them from previous novels will find they lack depth and personality in this novel as they simply carry out the roles handed to them with very little fanfare.

Private detective Elvis Cole thinks he is just taking on another missing person's case when he agrees to search for Amy Breslyn. When his first lead sends to him a house filled with explosives and a dead body, he realizes there is more to his client's story than he anticipated. His presence in the neighborhood that night earns him the role of possible murder suspect and he finds himself on the receiving end of police surveillance while he tries to conduct his own investigation under the radar.

This companion includes the following:
• Book Review
• Story Setting Analysis
• Story elements you may have missed as we decipher the novel
• Summary of the text, with some analytical comments interspersed
• Thought Provoking /or Discussion Questions for both Readers & Book Clubs
