Unalienable Rights: And the Denial of the U.S. Constitution

Michael E. LeMieux

Unalienable Rights: And the Denial of the U.S. Constitution Michael E. LeMieux
The America of our forefathers, the ideals of liberty established in a republic protected by a constitution and government, does not exist today. We have progressed in nearly every area of our human existence, except we seem to have forgotten or lost the true meaning of our country's freedom. In an effort to help spark a renewed understanding of what we have lost, this book discusses the following concepts: Federal jurisdiction. Federal welfare schemes. "Federal" citizenship. Presidential decrees. Judicial legislation. Federal monetary failure. Unconstitutional tax enforcement. Unconstitutional emergency powers acts. The demonization of America's militia. Usurping the people's right to keep and bear arms. Why the government won't stop illegal immigration. Property rights stolen from all Americans. Excessive limitations on free speech. Curtailment of your Fourth Amendment rights. Misapplication of emergency powers. The missing common law. The missing rights of the citizens. The fraud of the Sixteenth Amendment.
