Judas hung himself in a place known as the Akeldama or Field of Blood.

But what if his death didn't end his betrayal?

What if his tainted blood seeped deep into the earth, into burial caves, causing a counterfeit resurrection of the dead?

Gina Lazarescu, a Romanian girl with a scarred past, has no idea she is being sought by the undead.

The Collectors, those released from the Akeldama, feed on souls and human blood. But there are also the Nistarim, those who rose from their graves in the shadow of the Nazarene's crucifixion--and they still walk among us, immortal, left to protect mankind.

Gina realizes her future will depend on her understanding of the past, yet how can she protect herself from Collectors who have already died once but still live?

The Jerusalem's Undead Trilogy takes readers on a riveting journey, as imaginative fiction melds with biblical and archaeological history.
